Civil Action No. 2:05-cv-439-A-WO

Plaintiff Wright Motion Of Objection
To The Honorable W. Harold Albrighton
Order

I am the plaintiff, Pro-Se., Richard Wayne Wright, Jr., in the above mention motion. Plaintiff has tried to address defendant Sharon Holland with questions which would be used at [the] time of an evidentiary hearing, if afforded, by the Honorable Charles S. Coady (Chief United States Magistrate Judge). Plaintiff Wright motion for Admission upon defendant Sharon Holland (Doc # 141) being denied by the Honorable Charles S. Coady (Doc # 142) has hindered one of plaintiff's forms of revealing facts and has thus far, effected plaintiff's ability to manifest other facts with supportive documentation for such reason plaintiff hopes

the Honorable W. Harold Albrighton (Senior United States District Judge) will overrule the magistrate judge order (DOC# 142) and grant plaintiff's motion (DOC# 141) upon defendant Sharon Holland. Plaintiff is already placed in a great disadvantage because he possess a lot of documents he can't mail to this Honorable Court due to his indigent status, and the knowledge to effectively file (said) motion according and with support ^{R.W.} of law. IF this motion is not in its proper form plaintiff ask that this motion be construed into its proper form for processing.

Done this the 26th day of April, 2006.

Respectfully Submitted,

Richard W. Wright, Jr.
